Part II.

SUBSTANCE OF INTERVIEW DESCRIBING THE GENERAL NATURE OF WHAT WAS DISCUSSED:

Two points of contention are discussed and Applicant's representative agrees to:

- 1) Amend claims 1, and 14 and their dependency to possibly store the software modules into a memory hardware element as indicated in the specification, thereby rendering the claims statutoty under 35 USC 101.
- 2) Amend independent claims 1 and 14 and their dependency to include the determining step of claims 2 and 14, ensuring that the system is ready to accept the task of establishing the communication paths.

Part III.

- It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.
 It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.
